Virginia Alexandria Division

Zacarias Moussawi V US OIGSSA
Muslim godless government

STOP PLAYING CLINTON GAME OF LIES
THE FBI WAS ASKED TO CERTIFY THAT
THEY DID NOT FOLLOW ME NOT THE
GOVERNMENT.

Motion to get FBI certification and/or
Immediate release.

ACCAH V AKBAR. The response of the
government must be dismissed as misleading
and out of subject as my motion was
asking for an Federal Bureau of
Investigation certification that the FBI
were not conducting an under cover
surveillance operation on me and the
19 hijackers before Sept 11 2001.

The prosecution is playing Doff, Deems
and trying to deceive everybody
by talking about the "Government"
Not a single time in the entire response
to my ~~motion~~ to obtain FBI certification
the prosecution mention the FBI
name. They are lying and playing

with regard the same was as CLINTON.

To say that "the Government" was not conducting a surveillance operation against me and 19 hijacker MEAN NOTHING in a court. Nobody want to know if the Secretary of Agriculture was conducting a surveillance. I want to know & publicly ~~per~~ that the FBI was conducting an under cover surveillance operation on me and the 19 hijacker before Sept 11.

In its Non Response the prosecution alleged that "The defendant is not entitled to such certification" because "claim must" not be based upon mere suspicion but at least appear to have colorable basis"

So let see if there are SOME COLORABLE Basis.

- It is not the case that Coleen Rowley an FBI Agent in Minneapolis sent a letter to the Congress accusing the FBI director (Muller III) of MISREPRESENTING the fact when he told American his agency did not have probable cause to search the computer of Zacarias Moussawi (see: only CIA knew hijacker were here by Joyce Howard Price. The Washington time June 3 2002

Coleen Rowley FBI agent declared that the FBI headquarters

" continued to almost INEXPLICABLY throw up roadblock and undermine Minneapolis by now desperate effort to obtain a FISA search warrant long after the french intelligence service provided its information and probable cause become clear. HQ personnel brought up & almost ridiculed the question in their APPARENT EFFORT TO UNDERMINE THE PROBABLE CAUSE (by Dan Eggen Washington Post, Staff writer May 27, 2002.

It is not the case that " the CIA told the FBI in January 2000 that one of the Sept 11 hijacker was attending a meeting of suspected terrorist in Kuala Lumpur Malaysia and had a type of visa that should have drawn suspicion, a senior intelligence official said yesterday, citing e mail held by CIA. "

" The disclosure contradicted repeated assertion by senior FBI official that bureau headquarters had no information about Khalid Almohallab before august 23 " By Walter Runcus and Dan Eggen Washington Post Tuesday June 02

In fact, it is beyond reasonable doubt that the FBI was facilitating the movement of the 19 hijacker in and out of the country. By doing this, they took directly PART in the conspiracy of September 11.

Sections 3504 Permit an "aggrieved party" to make a "claim" that evidence is inadmissible "because it is primary product of an unlawful act or because it was obtained by the exploitation of an unlawful act".

The FBI unlawfully aided and abetted the 19 hijackers. Their prosecution must be dismissed.

Certification of FBI surveillance must be produced and ordered.

They arrested Zaccarias Moussawer because they knew that he was not part of the 19 hijacker so they was no risk to alert them. They could not arrest Hanjauer who was also reported by Pan AM.

It is not the case that Mohammad ATTA flew out of Miami to Madrid Spain for a week. He was not arrested by INS for overstaying his visa. Then ~~the~~ Mohammad ATTA (May ALCHA have Mercy on him) was allowed back into the US even though he had overstayed his temporary visa. Mohammad ATTA was **BRIBELY DETAINED** at the airport in Miami and then was **CLEARED** by INS to enter the US as a tourist despite repeated visa violation.

It is not the case that Khalid Almidhar was on the government WATCH LIST for suspected terrorist but he was allowed to enter US twice without being arrested by the FBI at ~~the~~^{any} entry especially on July 4 2001.

It is not the case that my address 23 A Lambert Road was searched after the Embassy bombing in Africa; that the FBI searched and translated a conversation between ~~a~~ AL ATTAS and Imam of Norman say "I heard you were going on Jihad" giving probable cause; that to obtain the "claim document."

These were some of the colorable
basis why the FBI must not be
trusted they were acting in
BAD FAITH.

they were trying to kill me as
a scapegoat for Sept 11.

they want my Death to cover up
for their Participation in Sept 11
