Criminal No. 01-455-A

UNDER SEAL

ORDER

Before the Court are various defense motions for pretrial access [REDACTED]

[REDACTED] and to compel the appearance [REDACTED] as defense witnesses at trial [REDACTED]

[REDACTED] In light of the continuance granted to the United States for filing its Consolidated Response, we find that the tentative hearing date of January 22, 2003 does not afford standby defense counsel sufficient time to reply to the Consolidated Response. Therefore, it is hereby

ORDERED that any defense reply to the Consolidated Response be filed by Thursday, January 23, 2003. If needed, oral argument of these motions will be held on Thursday, January 30, 2003 at 10:00 a.m. in Courtroom 700.¹

¹ Because oral argument of these motions will likely involve the discussion of classified information, the courtroom will be sealed and Mr. Moussaoui will not be present. See Order of August 23, 2002 (denying defendant's motions for access to classified information).

In its Consolidated Response, the United States represented that it intended to provide the defense with the substance [REDACTED] [REDACTED] that may constitute Brady material. (Consolidated Response at 7, fn. 2; 52). To enable standby counsel to incorporate any such material into their forthcoming reply, it is hereby

ORDERED that the United States provide standby counsel with the substance [REDACTED] in accordance with the Classified Information Procedures Act, 18 U.S.C. App. 3, by Tuesday, January 21, 2003.

The Clerk is directed to forward copies of this Order to the defendant, pro se; counsel for the United States; standby defense counsel; and the Court Security Officer; and the United States Marshal.

Entered this 15th day of January, 2003.
