*Unsealed 6/6/03*

GOVERNMENT'S UPDATE REGARDING DOCKET NUMBERS 713, 718, AND 732

In its filing on May 30, 2003, the Government represented to the Court that it would provide a more definitive position as to docket numbers 713, 718, and 732 not later than June 6, 2003, because those pleadings were still under review. The appropriate Government agency has since reviewed these three pleadings. Based on their review, the Government attaches at Tab 1 a redacted version of pleading 732. This redacted version is no longer classified and, therefore, may be unsealed to the public. The balance of the pleading remains classified and should remain sealed. Consistent with the Court's Order dated May 30, 2003, the Government has initially filed the proposed redacted version under seal to allow the Court to review it prior to its unsealing.

As for pleadings 713 and 718, the Government will be able to redact these documents such that an unclassified version for public availability will result. Upon completion of the redaction process, the Government will file the redacted, unclassified versions with the Court
