ORDER

In compliance with the Court's Order of May 16, 2003, the Government has filed under seal an Update Regarding Docket Numbers 713, 718 and 732 ("Government's Update") to which the Government has attached a proposed redacted version of the Court's Order of January 31, 2003 (Docket #732) for the Court's review. The Government further represents that it will submit unclassified versions of docket #s 713 and 718 for the Court's review "upon completion of the redaction process."

Finding no legitimate reason to maintain the Government's Update under seal, and determining that the Government's proposed redactions to the Court's Order of January 31, 2003 are limited to those necessary to protect national security information, it is hereby

ORDERED that the Government's Update and redacted version of the Court's Order of January 31, 2003 (Docket #732) be and are unsealed.

The Clerk is directed to forward copies of this Order to the

defendant, pro se; counsel for the United States; standby defense
counsel; and counsel for the Intervenors.

Entered this 6th day of June, 2003.
