ORDER

The United States has advised the Court of its proposed redactions to the defendant's pro se pleading docketed as #1098. Finding that the proposed redactions strike the proper balance between the public's right to access records in criminal cases and the United States' legitimate concerns about the defendant's ability to use his pleadings inappropriately to communicate with the outside world, as well as to accommodate the United States' national security interests, it is hereby

ORDERED that the defendant's pro se pleading docketed as #1098 be and is unsealed with the indicated redactions and placed in the public record without defendant's attachments.

The Clerk is directed to forward copies of this Order to the defendant, pro se; counsel for the United States; and standby defense counsel.

Entered this 7th day of November, 2003.
